**11:30AM - 2:00PM**

Ronald McDonald House Charities® of North Central Florida provides temporary housing, basic amenities, and **support to families** with children receiving treatment at area medical facilities. Each night the Ronald McDonald House® provides 31 families with a private room and all the comforts of a home. This allows them to focus on the treatment and recovery of their children rather than where they will sleep or eat.

At UF Health Shands Children's Hospital, the Ronald McDonald Family Room® a quiet room for a nap, computer access, and a cup of coffee helps families and guests to find a balance between home, work, and the hospital, all while remaining close at hand for their child.

## We invite you...

To help families find strength in numbers by joining us for our annual "Build a house for the House" event. You will enjoy **holiday cheer and fun** while you decorate a gingerbread house with your friends.

We will provide you with lunch and drinks, as well as a gingerbread house to decorate and assemble, icing, and assorted candies. If you wish, you may also bring your own supplies to help your team personalize your gingerbread house into a home. At the end of the event, local celebrity judges will award **prizes** to the best gingerbread houses.

We are excited about this year's event and hope to see you there!
